Hello Joe. What are you looking for? I'm looking for a blue T-shirt, black trousers, a green cap and white shoes. Cool. What are you looking for Emma? I'm looking for the same clothes as my sister. Great. What colour are they? Her dress is pink and red. Her skirt is yellow and her shorts are blue and brown. Her clothes sound very colourful. Are they expensive? The pink dress costs ten dollars. The skirt costs twenty dollars and the shorts cost twenty five dollars. That's only fifty five dollars.
