Tongue Twisters Using 'C' Worksheet

If the curious cream-colored cat crept into the crypt and crept out again, Where's the curious cream-colored cat that crept into the crypt and crept out again? 3. Who checked the chart of the cud-chewing cow? 4. If you must cross a course cross cow across a crowded cow crossing, cross the cross coarse cow across the crowded cow crossing carefully. 5. A clipper shipped several clipped sheep.	Tame:	Vate:
1.If a good cook could cook cuckoos so fine And a good cook could cook cuckoos all the time, How many cuckoos could a good cook cook If a good cook could cook cuckoos? 2.A curious cream-colored cat crept into the crypt and crept out again. Did the curious cream-colored cat creep into the crypt and creep out again? If the curious cream-colored cat crept into the crypt and crept out again, Where's the curious cream-colored cat that crept into the crypt and crept out again? 3.Who checked the chart of the cud-chewing cow? 4.If you must cross a course cross cow across a crowded cow crossing, cross the cross coarse cow across the crowded cow crossing carefully. 5.A clipper shipped several clipped sheep.		
How many cuckoos could a good cook cook If a good cook could cook cuckoos? 2.A curious cream-colored cat crept into the crypt and crept out again. Did the curious cream-colored cat creep into the crypt and creep out again? If the curious cream-colored cat crept into the crypt and crept out again, Where's the curious cream-colored cat that crept into the crypt and crept out again? 3.Who checked the chart of the cud-chewing cow? 4.If you must cross a course cross cow across a crowded cow crossing, cross the cross coarse cow across the crowded cow crossing carefully. 5.A clipper shipped several clipped sheep.	i !	
If a good cook could cook cuckoos? 2.A curious cream-colored cat crept into the crypt and crept out again. Did the curious cream-colored cat creep into the crypt and creep out again? If the curious cream-colored cat crept into the crypt and crept out again, Where's the curious cream-colored cat that crept into the crypt and crept out again? 3.Who checked the chart of the cud-chewing cow? 4.If you must cross a course cross cow across a crowded cow crossing, cross the cross coarse cow across the crowded cow crossing carefully. 5.A clipper shipped several clipped sheep.	And a good cook could co	ok cuckoos all the time,
2.A curious cream-colored cat crept into the crypt and crept out again. Did the curious cream-colored cat creep into the crypt and creep out again? If the curious cream-colored cat crept into the crypt and crept out again, Where's the curious cream-colored cat that crept into the crypt and crept out again? 3.Who checked the chart of the cud-chewing cow? 4.If you must cross a course cross cow across a crowded cow crossing, cross the cross coarse cow across the crowded cow crossing carefully. 5.A clipper shipped several clipped sheep.	How many cuckoos could c	good cook cook
Did the curious cream-colored cat creep into the crypt and creep out again? If the curious cream-colored cat crept into the crypt and crept out again, Where's the curious cream-colored cat that crept into the crypt and crept out again? 3. Who checked the chart of the cud-chewing cow? 4. If you must cross a course cross cow across a crowded cow crossing, cross the cross coarse cow across the crowded cow crossing carefully. 5. A clipper shipped several clipped sheep.	If a good cook could cook	cuckoos?
again? If the curious cream-colored cat crept into the crypt and crept out again, Where's the curious cream-colored cat that crept into the crypt and crept out again? 3. Who checked the chart of the cud-chewing cow? 4. If you must cross a course cross cow across a crowded cow crossing, cross the cross coarse cow across the crowded cow crossing carefully. 5. A clipper shipped several clipped sheep.	2.A curious cream-colored o	cat crept into the crypt and crept out again.
If the curious cream-colored cat crept into the crypt and crept out again, Where's the curious cream-colored cat that crept into the crypt and crept out again? 3. Who checked the chart of the cud-chewing cow? 4. If you must cross a course cross cow across a crowded cow crossing, cross the cross coarse cow across the crowded cow crossing carefully. 5. A clipper shipped several clipped sheep.	Did the curious cream-color	ed cat creep into the crypt and creep out
Where's the curious cream-colored cat that crept into the crypt and crept out again? 3. Who checked the chart of the cud-chewing cow? 4. If you must cross a course cross cow across a crowded cow crossing, cross the cross coarse cow across the crowded cow crossing carefully. 5. A clipper shipped several clipped sheep.	again?	
out again? 3. Who checked the chart of the cud-chewing cow? 4. If you must cross a course cross cow across a crowded cow crossing, cross the cross coarse cow across the crowded cow crossing carefully. 5. A clipper shipped several clipped sheep.	If the curious cream-colored	d cat crept into the crypt and crept out again,
3.Who checked the chart of the cud-chewing cow? 4.If you must cross a course cross cow across a crowded cow crossing, cross the cross coarse cow across the crowded cow crossing carefully. 5.A clipper shipped several clipped sheep.	Where's the curious cream-c	colored cat that crept into the crypt and crept
3.Who checked the chart of the cud-chewing cow? 4.If you must cross a course cross cow across a crowded cow crossing, cross the cross coarse cow across the crowded cow crossing carefully. 5.A clipper shipped several clipped sheep.	out again?	
the cross coarse cow across the crowded cow crossing carefully. 5.A clipper shipped several clipped sheep.		
carefully. 5.A clipper shipped several clipped sheep.	4.If you must cross a course	cross cow across a crowded cow crossing, cross
5.A clipper shipped several clipped sheep.	the cross coarse cow across	the crowded cow crossing
	carefully.	
Were these clipped sheep the clipper ship's sheep,	5.A clipper shipped several	clipped sheep.
	Were these clipped sheep the clipper ship's sheep,	
Or just clipped sheep shipped on a clipper ship?
